

COMMUNITY BENEFITS

Sponsorship

Local groups, clubs, schools and organisations are invited to apply for sponsorship from The Pines Wind Farm. Organisations in the Oberon Local Government Area, plus the suburbs of Triangle Flat, Bald Ridge and Abercrombie River, are eligible for \$1,000 to \$5,000 in funding.

What sponsorship is available?

Financial support is available for opportunities which will benefit local communities near The Pines Wind Farm investigation area. This includes health and social welfare, safety, environmental, educational, youth projects, sport and recreation, culture, the arts and economic development.

During the first year of feasibility investigations for The Pines Wind Farm there will be \$50,000 available over two rounds of funding. Early sponsorship funding will continue through the planning phase of the proposal with \$50,000 in funding available each year.

When do applications close?

Your organisation can apply for two rounds of funding:

ROUND 1

- Applications to be submitted by 5pm 30 August 2024
- Total funds available \$25,000
- Successful applicants notified by 30 September 2024

ROUND 2

- Applications to be submitted by 5pm 28 February 2025
- Total funds available \$25,000.
- Successful applicants notified by 31st March 2025

How to apply

Once you check the eligibility of your organisation and project (please download the sponsorship form and check), you can apply in the following ways.

1. Submit a sponsorship application form online

[Submit your application form online](#)

2. Submit a sponsorship application by email

1. Download and fill in the [sponsorship form](#)
2. Send the form by the due date to contact@thepineswindfarm.com.au .

Future sponsorship

If the wind farm proposal progresses, funding will be increased over the coming years.
